

GAMES FOR HEALTH
EUROPE

The Games for Health Europe Conference is back!

OUR MISSION: Bring together the best minds in game development and healthcare, to discuss, develop and demonstrate game technologies that improve health, well-being and the delivery of healthcare.

Theme: What we learned yesterday to change tomorrow

Ten years of evolution of serious games. Ten years of success stories and important lessons learned from failures.

What's your story?

Bring your past lessons and let's shape the future of serious games!

Early bird tickets – register now!
